EVENT PROFILE

CEMS-Global USA's International 'Yarn & Fabric series of Exhibitions' has reached its accession in popularity around the world with the series of exhibitions being organized by CEMS-Global in Bangladesh, Brazil, Morocco, and Sri Lanka. With the enormous successes of the previous editions of "21st DIFS 2024 - Winter Edition" and due to the lack of spacing to accommodate huge inquiries and all exhibitors; CEMS-Global in association with The Sub-Council of Textile Industry,

China Council for the Promotion of International Trade (CCPIT TEX), is jointly organizing the DIFS 2024-Winter Edition to give scope to all in order to focus on the high potential first time ever \$50+ Billion Apparel and Textile Export Market of Bangladesh, the 3rd largest Apparel exporter in the world, after China and Vietnam. Bangladesh's exports increased by 35.47% in one fiscal year. After 18 highly successful editions in Bangladesh, CEMS-Global along with The Sub- Council of Textile Industry, China Council for the Promotion of International Trade (CCPIT TEX) present the Leading International Exhibition of its kind as "21st Dhaka International Yarn & Fabric Show 2024–Winter Edition". The "21st DIFS 2024 - Winter Edition" is all set to again draw huge visitors from the Textile and Apparel industry of Bangladesh, Bangladesh requires to import over 70% Fabric (Woven) for the Garment export demand of over 7,500 Garment & Textile factories/mills of the country.

WHY BANGLADESH- Facts & Figures

The export-oriented RMG sector in Bangladesh started as a small non-traditional export sector in the late 1970s. Now Bangladesh is one of the countries in South Asia leading the race for shaping up for the Textile & Apparel exports to the US & EU. Within three decades, RMG has transformed itself into the country's highest revenue-generating sector, contributing most of Bangladesh's total exports, making Bangladesh the second largest garment exporter in the world. Bangladesh imports textile and garment machinery worth more than \$4 billion in Bangladesh, and growing by 20 per cent annually because of increasing capacities and upgrading of Machinery. Textile and apparel machinery manufacturers and sellers recognize Bangladesh as a lucrative business destination because of the country's stronghold in the global readymade garment trade. In the fiscal year 2021-2022, Bangladesh exported garments worth US \$42.613 billion, making it the second-largest apparel exporter in the world. The Bangladesh Garment Manufacturers Exporters Association (BGMEA) revealed it is eyeing a 10% share of the global apparel market by 2025 and is aiming for an export target of US\$100bn by 2030. It can be confidently stated that Major investments in the textile & garment sector are happening in Bangladesh.
